MESSAGE TEAMS, GROUPS OR INDIVIDUALS

The screenshots illustrate the steps to select recipients for a message in the app:

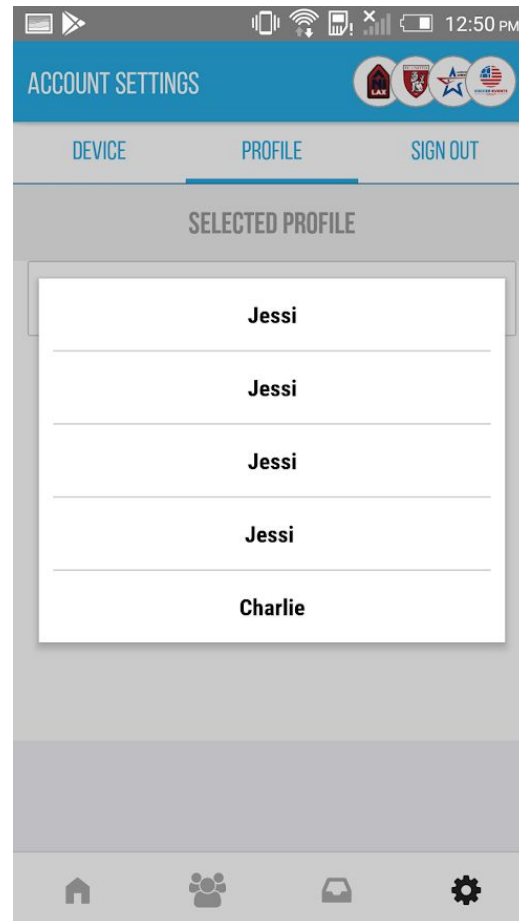

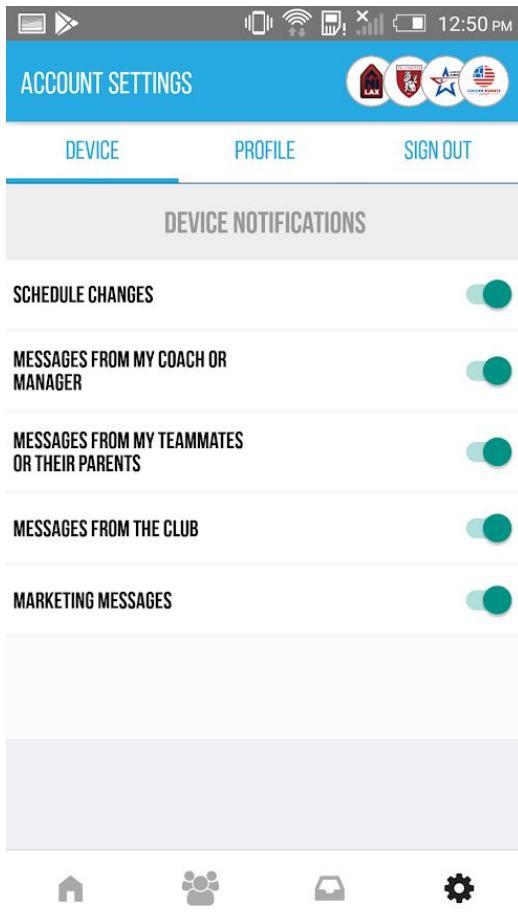

- Screenshot 1:** The 'RECIPIENTS' screen shows a list of teams with 'NOT SELECTED' dropdown menus. A 'CONTINUE' button is at the top.
- Screenshot 2:** A modal menu is open over the 'EXAMPLE TEAM' dropdown, showing options: 'Not Selected', 'All Selected', and 'By Player'.
- Screenshot 3:** The 'EXAMPLE TEAM' dropdown is now set to 'BY PLAYER'. Below it, a table lists athletes with toggle switches for 'TO ATHLETE' and 'TO PARENTS'.

#	ATHLETE	TO ATHLETE	TO PARENTS
	another gipson	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Jamay Gipson	<input type="checkbox"/>	<input type="checkbox"/>
	Chad Gruen	<input type="checkbox"/>	<input type="checkbox"/>
	Charles McGuireddd	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Bart Simpson	<input type="checkbox"/>	<input type="checkbox"/>
- Screenshot 4:** The 'NEW MESSAGE' screen shows the 'FROM' field as 'undefined undefined' and the 'TO' field as 'another gipson, Charles McGuireddd'. It includes a 'Subject' input field and a 'Compose Message' text area.
